

[Higher Ed/Libraries Summit] Beyond compliance with accessible site design

Presenters: Laura Ballay, Director of Digital Experience, ImageX; Bjorn Thomson, Senior Digital Experience Architect, ImageX

Abstract: Accessibility is not just about compliance, why the user should be at the center of your organization's decisions.

Open Y project <https://openy.org/>

Contracted with Blind Inc., a company that offers accessibility testing with actual disabled users, and ImageX, who builds Drupal projects

ImageX conducted automated WAVE testing; Blind Inc could do detailed manual testing
